**21st July 2017**

As another school year comes to an end it is a wonderful opportunity to reflect on the great year we have had. The children have represented the school impeccably wherever we have been, everyone comments about how smart they look in their uniforms and how well behaved they are. We say goodbye to our amazing Year 6, who have demonstrated such resilience and been supportive of each other. I would like to thank you all for your continued support of the school, in particular those of you who ensure your children come to school ready to learn with the correct uniform and equipment!.

I would like to say a huge thank you to FOTS they have really tried their best to make this year fun for the children. My thanks also to Elaine Reed-Hughes and Denise Freeland who have enabled the children to swim this term by helping us supervise the sessions and Simon Freeland and Natalie Paine for clearing the pool this year.

We wish our Year 6 well as they begin the next stage of their life journey, we will really miss them.

And finally I hope you all have a lovely summer holiday. We will see you back here on the 6th September— Start Active as usual at 8.00 am.

## **Friends of Townley School AGM**

If you would really like to support the school please come along to the AGM on 08/09/17 at 3.15 p.m. in the new dining hall. This will be a chance to have your say on how FOTS spend their money and perhaps volunteer for the committee, we can not do it without your support. Please see the FOTS notice board for further details.

## Diary Dates

6/9/17—All children return to school

7/9/17—Emperor Class (Y5 and Y6) trip to Wicken Fen

## End of Term Party

Thank you to the staff and FOTS volunteers who supported the children's end of term games evening. The children seemed to be having lots of fun! Photos will be on the website soon.

## Sumdog

Remember the children can  
Sumdog over the summer

still access home learning via  
holidays.

## Defibrillator

The defibrillator will be out of use over the summer holiday due to the building work. I will put a message on Facebook once it is back in use.
