Headteacher: Mrs Maria-Anne Higgins

7th October 2016

Parents Evening

We are trying to make the booking arrangements easier for parents evening, therefore we are going to trial a new system this time. We think it might be easier for parents to book their own time slots as you can then fit this with other commitments. At the end of Monday 10th October we will put a list up for each class on their doors. You will need to sign up for your own time to see each teacher as necessary. If your child comes in by taxi Miss Chisholm will call you Monday morning to enable you to book your time. If you have any difficulties with this please don't hesitate to contact us.

Head Lice

We have had a reported case of head lice, please could you check your child's hair this weekend. If you are unsure how best to treat them the NHS website <http://www.nhs.uk/Conditions/Head-lice/Pages/Introduction.aspx> provides clear treatment suggestions.

Harvest Service

Thank you for your support with this event. We raised £146.20.

Missing water Bottle

Has your child come home with an extra water bottle? A child in Class 1 has lost one like this.

Reading Trophy

The reading trophies have been awarded this week to Dionne, Edward and Ryan. Well done, keep on reading!

Emergency School Closures

In the event of an emergency school closure please be aware that we would put a message on the new website and the school Facebook page, so it would be worth making sure that you have saved the links to one of these sites.

Defibrillator Training 12th October at 1.30pm

We still have 8 places available.

If you would like to learn to use the defibrillator The East of England Ambulance Service are offering free training for up to 15 parents/members of the community who would be prepared to use the defibrillator in an emergency. If you are interested please contact Mrs Higgins.

Parents Forum

Please come at 2pm on Friday if you are interested in supporting the school with supporting positive relationships, including bullying. This will be a chance for you to make suggestions about ways we can support children to get along, prevent bullying and maintain friendships.
