School Meals

In light of the Childhood Obesity Strategy published last summer, Cambridge-shire Catering Service (our school meal provider) would like to support schools and encourage pupils to make informed choices about the foods they eat every day. Eating habits are formed in childhood, and as adults, these long-held habits can be very hard to break. Therefore, to start children on the right track and to reflect Public Health England Healthy Eating Guidelines, they would like your views on healthy food options and the continued provision of sweet puddings every day. The link can also be found on our school Facebook page.

If you would like to help shape future school meal provision, please complete the questionnaire by following the link <https://www.surveymonkey.co.uk/r/HQW5J5C>.

Bike and Scooter Safety

For the safety of everyone, children must dismount from their bikes and scooters before they come through the main gate and push them to the bike store, not ride them.
