## Summer Term Assembly Changes

Many of you will be aware of the two assemblies Class 3 held this term. The feedback from parents and carers was overwhelmingly positive, and more assemblies like this have been requested. They give you the opportunity to see what your children are learning about in school. Following discussions with staff about how we can facilitate this, we have decided to replace the 'Sticker' assembly with class assemblies and 'story cafes' (where you can join your child in their class and share different activities). We will continue with reward assemblies, the children will receive stickers and reading trophies, however this will involve the children and staff only, we will then share this with you all in the weekly newsletter. The dates and times of the class cafes and assemblies will vary, this is to enable as many of you as possible to join in. The dates and times are listed opposite. We are looking forward to you sharing your child's learning.
