

## What will you choose to do?

- Bring pictures from home of yourself or family members at the seaside. Are there any of someone swimming in the sea? Identify the different locations on a UK or world map.
- Visit your local library to browse or borrow story and information books about the seaside. Write or film a book review about your favourite.
- With an adult, use the web to research famous artists who use the beach for inspiration.
- Make a miniature seashore garden using natural materials, such as pebbles, twigs, sand and shells.
- Make a list of all the activities you could do at the seashore. Survey your friends and family to identify the 'Top five seashore activities' and display the results in a pictogram or bar chart.
- Create a collage of a seaside scene using magazine pages.
- Share with your family the tongue-twisters and riddles you have learnt. Can you write some more of your own?
- Make a word search with all the names of the living things you have learnt about. Ask your family and friends to have a go.
- Make a 3-D sea animal. You can use any material you like – perhaps papier mâché, fabric, plastic bottles, clay, play dough or Lego pieces?
- Write a poem about the living things that make their home in a rock pool. An acrostic or shape poem would be fun!
- Design, draw and paint a picture of a beach hut. Bring it into class and display everyone's beach huts next to each other.
