

life cycle humans begin as a baby, then toddler, child, teenager and adult.

off-spring a person's children or an animal's young.

basic needs for humans means having shelter, food, water and air.

hygiene taking care of our body by being clean and making sure we don't smell.

- **healthy** doing things that are good for your body (eating nutritious foods, exercising, good hygiene and enough sleep)
- diet means choosing foods in the right amounts from each of the food groups (fat, protein and carbohydrates).

exercise to keep your body healthy by running, walking and playing.

- living things all do the following: movement, respiration, sensitivity, growth, reproduction, excretion and need nutrition (MRS GREN)
- **dead** these were once alive, e.g. a leaf that has fallen from the tree, bones were once part of a living animal.
 - **never alive** plastic, metal and stone are examples of materials that have never been alive

senses our five senses are see (eyes) smell (nose) hear (ears) taste (tongue) and touch (hands)

Land Ahoy!

History (events beyond living memory)

The **Titanic** was a large ship that was built to allow people to travel from the U.K. to America.

10th April 1912 set sail from

Southampton on the Atlantic

Ocean to New York. Iceberg a huge chunk of ice

floating in the ocean. Many are the size of houses or large buildings

- It sank on 14th April 1912.
- ijij There were over 2,000 passengers

ships in case of accidents. There were 20 but there should have been 40.

R.E.

What is important for Muslims?

Religion: Islam Religious book: Qur'an God: Allah Important building: Mosque

•

Physical features occur naturally and would be here even if we weren't e.g. ocean, sea, cliff, beach.

Human features have been built by humans e.g. roads, resorts, lighthouses.

Cliff a steep rock face usually at the edge of the sea.

Beach a pebbly or sandy shore, between the sea and a higher land.

- **
- **Coast** a place where the land and sea meet.

Harbour a place on the coast where boats or ships can moor.

Port a harbour where ships can unload their cargo.
