

Child Health Clinics are run by the Health Visiting Team.

These are **appointment only clinics**—please telephone the **Health Visitors Duty Line 0300 029 5050**

The Cambridgeshire and Peterborough Health Visiting and School Nursing Services are part of the 0-19 Healthy Child Programme.

Get your baby weighed, pick up health information and get advice from the Health Visiting Team; meet other mums, dads and their babies.

Volunteering for Barnardo's Child & Family Centres, Peterborough and Cambridgeshire

Our volunteers play a vital role and make a big difference by performing essential and supportive tasks to complement our paid staff. Volunteering benefits our staff, our services users, donors and volunteers themselves by gaining new skills, knowledge, experience, build your confidence and meet new people.

For more information contact our James Horner, Volunteer and Community Development Lead, Tel: 07756 228386 or email: james.horner@barnardos.org.uk

START is an easy guide to help your child to be ready for school.

Shoes, socks and putting on clothes (being more independent);

Talking, listening, sharing and following instructions (concentration skills);

Asking for help (building confidence);

Ready to try different foods and utensils (being more intrepid);

Using the **T**oilet on their own.

Mums Matter delivers 8 sessions over 8 weeks for women who are experiencing Perinatal Mental Health. The sessions are aimed at women who are experiencing worrying thoughts, anxiety and postnatal depression and will provide them with a collection of tools and reminders to nurture themselves to keep well. To book a place on Mums Matter or Connecting Mums please contact the perinatal team on (01733) 362990 or email: connectingmums@cpslmind.org.uk

There is no way to be a perfect mother, but a million ways to be a good one.

Mums Matter

Finding childcare providers

The [Cambridgeshire Online Directory](#) allows you to search for local childcare providers. You can search using a postcode and can filter results by type of childcare.

Help with your childcare costs

The [Childcare Choices website](#) offers a comparison guide for all the ways you can reduce your childcare costs.

If you have a child aged between 0 and 5 you can also visit a [Cambridgeshire Child and Family Centre](#) for help with finding childcare. Other local parents are likely to have a good idea of what is available in an area, but make sure you make your own enquiries into the quality and suitability of a setting. For providers registered with [Ofsted](#), their inspection report will provide useful information on their quality. The [Cambridgeshire Online Directory](#) provides links to Ofsted report for registered providers.

You can call us on **0345 045 1360** if you have trouble finding suitable childcare.

SALT: Speech & Language Therapy (Peterborough)

Do you have any concerns with your child's speech, language and communication sentences? The Children's Speech and Language Therapy Service in Peterborough assesses, diagnoses and provides treatment to children and young people aged 0-19 with a range of speech, language, communication and feeding difficulties.

In line with NHS England guidance around Covid transmission, we are minimising the occasions where children and young people are seen face to face both in clinic, home and educational settings. We are using safer ways to continue to provide our service and offer support, such as telephone or video consultations as the first option where we can. If your child needs to be seen face to face by a therapist in clinic, we have put measures in place to make this as safe as possible for you and your child. If being seen face to face, please ensure you follow any guidance given to you carefully to keep the risks as low as possible. If you have any queries about your child's care, please contact us via phone: 0300 555 5965 on email: cpm-tr.SLTmailforparents@nhs.net or visit our Speech and Language Therapy Toolkit for advice and resources to support your child <https://www.cpftr.nhs.uk/speech-and-language-therapy-toolkit>

Opening hours: 9am-5pm

T: 0300 555 5965

E: cpm-tr.SLTmailforparents@nhs.net

F: <https://www.facebook.com/pborochildrenstherapies/>

Baby Time provides a wonderful opportunity for you to help your baby to use their early senses to explore and develop their social skills in a relaxed and calm environment. Sessions provide time for parents/carers to make new friends, share their ideas or concerns and obtain information whilst gaining knowledge of their babies' growth and development. **Suitable from birth to walking.**

Stay & Play and **Come & Play** are informal drop-in sessions providing a safe and stimulating learning environment in which parents/carers can play with their children, have fun and learn together whilst focusing on developing their child's language, literacy and preparing their child for school. **Suitable for toddlers to rising 5's**

Tots Talking is a 1 hour per week course running for 8-weeks. The course aims to develop and improve the language skills of children **aged around 2 years old**, supporting parents to encourage their child to learn to talk to their families and people around them, giving them a head start when they start pre-school. Limited crèche spaces are available. To book a place just talk to a member of staff in any of our centres.

ECAT (Every Child a Talker) provides one to one sessions for parents/carers with children aged **2 years and above or more who may have speech delay or unclear speech**. We help to support and promote your child's social skills; their listening and attention; and their understanding of speech and sounds. Please ask for further details at Reception if you would like to attend ECAT with your child.

HENRY (Health Exercise Nutrition for the Really Young) is free to join and is **for parents/carers of children aged 0 to 5 years** and helps you give your child the best possible start in life. HENRY is a nine-week course. For information on dates or to book onto a course please keep an eye out in the centres or ask any member of staff for more information.

Midwifery and Antenatal Classes – All available dates, times and venues are on the North West Anglia NHS website: Go to www.nwangliaft.nhs.uk Click on: Maternity > I'm pregnant > Peterborough City Hospital > Antenatal Classes

Scroll down and click on either:

Session 1: Preparation for Birth

Session 2: Care of the Newborn and New Patients Decide on your day, venue and time and book by emailing: nwangliaft.pregnancyreferrals@nhs.net

Midwifery also runs a homebirth and breastfeeding workshop from the hospital.

Baby Massage provides a perfect opportunity to build the bond between parent and baby and helps to reduce pain from colic, wind and constipation whilst also helping to promote a healthy immune system.

Suitable for non-mobile babies.

Benefits to baby include:	Benefits to parents include:
<ul style="list-style-type: none">Promotes bonding and secure attachment;Improved learning ability;One to one quality time;Improves sleep patterns;Enhances language development;Reduces stress and hyperactivity;Health benefits.	<ul style="list-style-type: none">Better understanding of their baby;Improved parenting skills;Decreases stress hormones;Increases anti-stress hormones.Reduces social isolation.Decreases the effects of postnatal depression.

PEEP offers an effective way of helping parents and carers improve their children's life chances by making the most of everyday learning opportunities by listening, talking, playing, singing and sharing books and stories together. We have a number of PEEP courses available, including Antenatal PEEP - especially for expectant mums and dads.

If you would like more information or if you want to put your name down for a PEEP course just talk to a member of staff in any of our centres.

Webster Stratton is a 12-week accredited parenting course designed for parents/carers to help with challenging behavior. This course aims to increase confidence in parenting and provides a toolkit which will work for the whole family and helps improve relationships within the family. The course provides an opportunity to share ideas and techniques in a friendly, relaxed group.

PLEASE NOTE: Crèche places are limited and will need to be booked in advance. For further details contact our Family Support Team Manager, Jo Lawrence, email: jo.lawrence@barnardos.org.uk

The Freedom Programme is a 10-week course examining the attitudes and beliefs around the actions of abusive males and the responses of victims and survivors. The programme describes in detail how children are affected by being exposed to this kind of abuse and, very importantly, how their lives are improved when the abuse is removed.

For further details contact our Family Support Team Manager, Jo Lawrence, email: jo.lawrence@barnardos.org.uk
